 - Aims to develop, strengthen and spread the Brazilian Zouk dance style in Stockholm

- Website info:
 - Zouk Society Stockholm is a non profit organisation that gives socials, events and intro dance classes in the Brazilian social dance Brazilian Zouk. Brazilian Zouk is a dance that originated in the 90s Lambada which mixed with the music Zouk from the French Caribbean, now we use a variety of music.
 - Zouk Society Stockholm aims to grow a highly friendly Zouk community allowing people from Stockholm and all over the world to connect by means of the social dance. Each one of us expresses their experience in different ways and we can't wait for you to tell us with your dance how you feel the world! Join us, feel alive and fall in love with every dance!
